

## **Lyrics for Manya.**

Sandy I owe you an apology.  
We were meant to be together,  
but I had to be stronger than fate.  
Next time I'll try to do what I have to,  
but in the meantime, I'm sorry.  
What was so good could have been so great.  
We both had what it takes to have everything.

A letter written in your hand, sitting in my hand, pressed against my breast  
to ease the pain.

I'm sorry, Manya, Manya Manya Manya Manya Manya Manya Manya.

Sandy we owe us an apology.  
We were meant to be together,  
but we had to be stronger than fate.  
Next time we'll try to do what we have to,  
but in the meantime, we're sorry.  
What was so good could have been so great.  
We both had what it takes to have each other.

And the last time I saw you was the last time I saw you, in a parking lot. I  
drove away.

I'm sorry, Manya, Manya Manya Manya Manya Manya Manya Manya.

Sandy you owe me an apology.  
We were meant to be together,  
but you had to be stronger than fate.  
Next time please try to do what you have to,  
but in the meantime, be sorry.  
What was so good could have been so great.  
We both had what it takes to have everything.

So my name's not Andrew, I should've been weak and kissed you. Ceci n'est  
pas une pipe? Well what is it?

I'm sorry, Manya, Manya Manya Manya Manya Manya Manya Manya.
